

ASSISTANT EQUIPMENT MECHANIC

Chenal Country Club has an immediate opening for an Assistant Equipment Mechanic to join our Golf Course Maintenance team.

The ideal candidate would be a self-starter, hard-working, and highly motivated, with a proven safety record. The Asst. Equipment Mechanic should have the ability to troubleshoot and repair several types of equipment including gas, diesel, and 2 cycle engines, as well as the knowledge to perform proper preventative maintenance and record keeping. He or she must have previous knowledge in the use of a variety of equipment repair tools and proper procedures for tool maintenance.

Applicant should have prior professional auto-mechanical work experience, and golf equipment maintenance experience is helpful.

Specialized tasks such as reel grinding/lapping/setup/adjusting, welding, proper mower set up, golf cart repair, and other specialized work on any golf course equipment will be expected to be learned in a short period of time. The Asst. Equipment Mechanic will report to and work closely with the Head Equipment Mechanic.

This full time position is available immediately. Qualified candidates must be able to pass a pre-employment drug screen and background check.
